FARMERS' WIVES TELL WHAT THEY KNOW ABOUT PE-RU-NA.

Mrs. Magdalena Winkler.

Now Perfectly Healthy.

Mrs. Magdalena Winkler, Route 5, Westminster, Md., writes:

"I thank you very much for your advice. I can safely say that Peruna and Manalin have saved my life."

"When I wrote to you the first time, asking your advice, my condition was so poor that I did not expect to live through the winter."

but now I am perfectly healthy. "I cannot praise your medicine enough, and I recommend it to others."

Catarrh of Stomach.

Mrs. Mary Allen, Route 6, Franklin, Tenn., writes:

"I am glad to be able to tell you that I am well of catarrh of the stomach, for which I am sincerely thankful to you for your advice. If it had not been for Peruna I would never have been well."

"I had three physicians. One of them told my husband that he could not cure me."

"I had been sick about nine months when a friend asked me to try Peruna to gratify her; so I commenced taking it."

"I can eat and walk and work. Everybody says I look as well as I ever did. 'Oh, you don't know how thankful I do feel to you.'"

"I have got several other people to take Peruna. I praise it to everybody."

Peruna Is Used In the Farmer's Home for all Sorts of Catarrhal Ailments.

Mrs. Henry Martin.

For Children's Colds.

Mrs. Henry Martin, La Motte, Ia., R. R. No. 1, writes:

"After suffering for some time with sore eyes I was advised by a friend to try Peruna, which I did at once."

"The first bottle relieved me, and after using four bottles I was entirely cured."

"I do recommend Peruna to all who are afflicted with catarrh. I have found it to be a great remedy also for coughs and colds of children; a dose at bedtime will relieve them from coughing all night. I always keep it on hand, and recommend it."

Catarrh for Seven Years.

Mrs. T. Frech, R. R. No. 1, Hickory Point, Tenn., writes: "I am happy to tell you that I am cured of catarrh. I have followed your good and kind advice faithfully. I bless the day when I wrote you of my condition, and I will always praise Peruna. I think it is one of the grandest medicines on earth."

"Having been afflicted with catarrh and stomach trouble for seven years, and after having tried four different doctors they only relieved me for a little while. I gave up all hope of being cured. Only weighed one hundred and thirty pounds, and was so weak I could hardly get around the room."

"I was induced to try Peruna, and to my great surprise I am now entirely well. My weight is now one hundred and eighty-eight pounds, my health never was better in my life. I shall always praise Dr. Hartman and his remedies."

Mrs. Anna Linder.

The Farmer's Wife.

Who is in a better position to know than the farmer's wife herself what is required in the farmer's home? She must meet its troubles, solve its problems, ward off disease, nurse the sick, she must do all these things herself, and she learns by valuable experience what is best and what is not best.

In numberless farm homes Peruna is relied upon as the family medicine. Peruna books are consulted in health and disease. Peruna is used as a preventive as well as a corrective in disease.

The wives of the farmers of the United States constitute a solid phalanx in favor of Peruna. Against this testimony the slanders of a few critics will not prevail. One sensible mistress of a farm home who has used Peruna knows more about Peruna than all the magazine critics in the world.

Peruna in Her Home.

Mrs. Anna Linder, R. F. D. No. 5, Dassel, Meeker Co., Minn., writes: "For two years I suffered with that terrible disease, chronic catarrh."

"Fortunately I saw your advertisement in my paper and I spoke to my sister about your medicine. She wrote to you and I got your advice free of charge. I took Peruna and am well and a mother of two children."

"I owe it all to Peruna. I would not be without that great tonic for ten times its cost, for I am well and strong now, and cannot speak in too high terms of its value as a medicine."

In a letter dated June 12, 1906, Mrs. Linder writes: "I cannot express my thanks enough to you for all the good your medicine has done for me and my family."

Mrs. Hettie Green.

This spring I took cold and it settled in my kidneys. At first I thought it was kidney trouble."

"I took Peruna as directed on the bottle and in a few days I was all right, so I owe my health to Dr. Hartman and his remedy."

Miserable With Catarrh.

Mrs. Hettie Green, R. R. 6, Juka, Ill., writes: "Last November I had catarrh, and felt so miserable, I thought that I would go into consumption."

"I tried so many doctors and medicines, but nothing did me any good, only Peruna."

"After I began the use of Peruna I began to improve in every way."

"My head does not hurt so much, my stomach is all right, my bowels are regular, my appetite good, my complexion clear, my eyes are bright, and I am gaining in flesh and strength."

"I think Peruna has no equal as a catarrh remedy."

THE STROBHAR CASE

After holding the matter in abeyance for some time, the attorneys for J. N. Strobbhar, charged with embezzlement and sentenced by the circuit court to a term of imprisonment, received information Friday to the effect that the supreme court, to which tribunal an appeal had been taken, had affirmed the decision of the lower court in the premises.

The attorneys for Mr. Strobbhar will immediately file a petition for rehearing, on the ground that certain assignments of error were not considered by the supreme court, and in the event that this petition is denied, the case will be taken to the supreme court of the United States, the ground being that Strobbhar had been acquitted of the same offense by the superior court of the state of Georgia, in Fulton county.—Gainesville Sun.

Mr. Strobbhar is now in jail at Gainesville.

CHAMBERLAIN'S HAS THE PREFERENCE

Mr. Fred C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference." For sale by all druggists.

We had a pleasant visit Thursday form Mr. W. L. Martin, who is now living at Sparr, and who is well known to the readers of this paper as "Peter Stanley." His friends, who are legion, say that he must run for the legislature, and as they would not take "no" for an answer, he just had to comply with their wishes. At some other time in the near future he will tell why he will make a good legislator if he shall obtain the nomination.

FLORIDA ALL RIGHT

Wilbur McCoy of Jacksonville, the industrial agent of the A. C. L. road, is in the city with a party of gentlemen, who are looking over the state with a view of big investments. He was a caller at this office this morning. He said:

"Florida is in the ascendancy. There has been more land sold along the line of the A. C. L. in this state during the past ninety days than for fifteen years previous. Truckers are rushing to the state. It is not a question of the price of land now—it is a question of getting the land and getting in line for big crops at big prices."

Mr. McCoy will probably be in New York and Pennsylvania this summer doing missionary work among the farmers—especially the Pennsylvania Dutch. He will carry with him literature from the St. Petersburg board of trade, and it is important that we should have some new literature at once.—St. Petersburg Independent.
